### **SEEKING an Associate Pastor for Discipleship and Youth**

Our Associate Pastor will focus primarily on Youth Ministry, but will also have other responsibilities, including the following:

- Preaching approximately once per month
- Leading in worship, sacraments, etc.
- Providing pastoral care in consultation with the Pastor
- Overseeing staff in the “Grow in Grace” area of ministry (including Adult, Student, and Children’s Discipleship, as well as Hospitality)

Westminster Church is a member of the PC(USA) & the Fellowship Community and is called to be God’s distinctive, Christ-centered people in this time and place. We seek and experience this in several ways:

- Glorifying and honoring God in all areas of our lives – individually and together
- Surrendering our lives to Jesus Christ and growing in grace in an ongoing life of discipleship
- Being the Church – not just when we gather, but as we live our daily lives
- Helping people live distinctly Christian lives, so to be a clear witness to Jesus Christ

A growing city of 70,000+, Rapid City is a year-round recreational playground in the beautiful Black Hills in Western South Dakota. Its climate is milder and drier than the rest of the Dakotas, much like the Front Range of Colorado. Attached with this communication is a Ministry Information Form; which is also available through the Office of the General Assembly, Church Leadership Connection.
